Welcome

Welcome to Fledglings Nursery
at Tree Tops Primary Academy

Mrs Davies

My name is Mrs Davies and I have been the Nursery Teacher at Tree Tops Primary Academy since 2017. I am a qualified teacher with a degree specialising in teaching EYFS children. I lead the Nursery on Mondays, Tuesdays and Wednesdays and oversee all the planning and curriculum for our Nursery children.

I love spending my days with the children and supporting them on their individual journeys towards school. One of my favourite things to do is take the children to the school woods to explore the natural environment so you'll often see me in my wellies! I always refer to the staff, children and parents as our Nursery Family and so I'd love to welcome you and your child for a visit to see what it is that makes our Nursery Family so special!

Mrs Ashurst

My name is Mrs Ashurst and I have been part of Tree Tops Primary Academy since 2018. I lead the Nursery on Thursday and Friday. I am passionate about Early Years and giving the children the best start in life where they can be themselves.

Our children enjoy having an active, exciting and creative journey with us which gives them opportunities to explore, engage and challenge themselves whilst developing a lifelong love of learning. My favourite thing is to be creative with the children; I love baking, arts and crafts and getting mucky! This is when we have the most fun. We call ourselves a Nursery Family so we would be delighted to welcome you to our Nursery to see what we have to offer.

Vision and Values

At Tree Tops our values are very much at the core of everything. As part of a learning community it is important that everyone feels welcomed and valued. We promote a warm, happy, calm and safe environment where everyone is able to learn and work together. We celebrate achievement and recognise success, expecting the best. Teaching and learning is at the heart of everything we do.

Tree Tops Primary Academy aims to develop knowledgeable and inquiring pupils, who think globally and who are motivated to affect meaningful change. They demonstrate the IB Learner Profile attributes and they value the views and opinions of others, developing international mindedness and thinking critically about the world.

Our curriculum offer promotes children's independence, resilience and confidence, by building on our Academy Values and immersing children in high quality learning experiences.

We have a well-resourced spacious indoor and outdoor learning space, which the children can access daily.

There are opportunities for the children to learn as a whole class or smaller group, ensuring children are supported to make progress. The learning environment is designed to support children's learning in all areas of their development. In addition to this, we have access to a woodland, library and a large field.

Fledglings Nursery is part of a wider Early Years team here at Tree Tops. The staff become familiar faces, so when your child starts school, the transition into Reception is a smooth one.

Tree Tops Primary Academy aims to develop knowledgeable and inquiring pupils, who think globally and who are motivated to affect meaningful change. They demonstrate the IB Learner Profile attributes and they value the views and opinions of others, developing international mindedness and thinking critically about the world.

Our curriculum offer promotes children's independence, resilience and confidence, by building on our Academy Values and immersing children in high quality learning experiences.

Our curriculum:

- is inclusive, so that every child can achieve their potential;
- reflects children's interests and their world, to make learning meaningful and purposeful;
- is interactive and fun, to develop children's creativity and collaboration.

To achieve this, we will:

- use real and relevant artefacts, texts, activities, visits and the arts to bring topics alive and motivate pupils;
- make these memorable and first-hand where possible;
- develop local, national and global multi-cultural awareness, and an understanding of British Values in a meaningful way;
- make use of our outdoor environment to enhance and extend provision;
- make strong links with the local community and other learning school communities to give pupils aspirations for their future;
- embed effective safeguarding, health and safety and online safety principles within our curriculum offer for every pupil and member of staff.

Our Uniform

Our nursery children wear a school logo sweatshirt, making our nursery feel a valued part of our school community. The children wear jogging bottoms or suitable trousers and footwear.

The sweatshirts can be purchased from the school uniform provider. Details can be found on the school website.
